From the Secretary's Desk

In the academic year 2019-2020, Seethalakshmi Ramaswami College submitted itself to the 4th cycle of reaccreditation by the National Assessment and Accreditation Council (NAAC) and was accredited with the highly prestigious A+ grade. As the Captain of this flagship institution of *Padmabhushan* Sri. N. Ramaswami Ayyar Educational Complex, I am happy. This recognition comes as no surprise to me as the grade bears testimony to the steadfast and single-minded commitment of the assiduous team led by the Principal and the Vice Principal along with the dedicated band of faculty members, staff and students, who were all diligently guided by the Directors. Our success in this rewarding and fulfilling experience will always remind us that at SRC, we strive to excel and lead to achieve.

I congratulate the Principal and all the faculty members who have been bestowed with scores of awards, titles and accolades for their academic excellence, outstanding research and commendable social outreach initiatives. I appreciate the students who have proved their mettle by exhibiting outstanding talents and for achieving exceptional honours in curricular, co-curricular and extra-curricular domains.

It is heart rending to see the global populace caught in the clutches of a universal pandemic. These testing times remind me of our Founder, who in his arduous journey of women's upliftment, untiringly and unwaveringly established women's empowerment. Staying positive and pious helped me to grapple with the aftermath of the devastating floods of 1977 and to revive and restore normal functioning of the campus.

I find the same positivity and strength in the faculty members and staff of the college, who are tirelessly rendering academic support to the student community through online mode and moral support through counseling, ensuring the student's health and safety. These testing times teach us and our posterity, to brace ourselves in the face of adversity.

May the benign blessings and benevolence of Goddess Akilandeswari protect us.
