

BRIDGE COURSE

PG & Research Department of English, Seethalakshmi Ramaswami College, offers Bridge course for the first year Part II General English students. The five day Bridge course is been offered as a regular programme since its introduction in 1999. This programme helps the students to learn, unlearn and relearn English language for effective communication. On the day of inauguration an interactive training is conducted by an expert in English language and communication. The teacher/trainer acts as a facilitator helping the students to improve language acquisition for the remaining four days. The faculty members of Department of English produce a Bridge course book every three years. The book contains units which are designed to cater to the needs of learners at all levels. The need based units with exercises of bridge course material facilitate self-learning and build confidence level in LSRW skills which are important for the learning of English language. Bridge course book has graded units including ice-breaking sessions and various language activities that induce interactions and discussions among students to express themselves freely in English. Entry test and Exit test during the bridge course assess the progress of the students. Thus, Bridge course proves to be the best opportunity for the students to adapt themselves to the new academic and social environment.

Bridge Course 2013-14

PG and Research Department of English conducted Bridge course for the new entrants from 24.06.2013 to 28.06.2013. Professor A. William John Bosco, Head, Department of English, Periyar E.V.R. College inaugurated the Bridge course in English. Entry and Achievement tests were conducted to assess the progress of the students. Around 1300 students reaped the benefits of the course. The five day course was exclusively conducted for all the freshers with the objective to develop their confidence and proficiency in the use of English language.
