This year had been a very fruitful year with loads of activities and it has come to a pleasant and happy ending. Let me begin by invoking the blessings of God Almighty, who has showered his blessings abundantly on this educational complex. I remember, on this day, the man behind all the glory, Padmabhushan Shri. N. Ramaswami Ayyar, the founder of the Educational Complex, without whom women empowerment and education would have been a dream for many. Way back in 1951, when women's education was still a dream, the founder, established a Higher Educational Institution, enabling the women folk in getting quality education in the background of Indian culture and tradition. Today, this temple of learning offers exemplary service to the community and aims at perfection and quality in all its activities. I strongly feel that the visionary zeal and benevolence of our revered founder will be a great inspiration to all who are associated with this educational complex. On this auspicious day, I fondly remember our Madam Coordinator, Smt. Vasantha Panchapakesan, who had always been a great pillar of support in all our endeavours. I believe that she is blessing us abundantly from her heavenly abode. Let me seek the blessings of the

presiding deity of our complex, Goddess Akilandeshwari, Our revered Founder and our beloved Madam coordinator, on this 72nd college day.

I deem it a great honour to acknowledge the support rendered by the management, which helps us march ahead in all our endeavours. The proactive management, under the able leadership and guidance of our Managing Trustee and Secretary, Shri. R. Panchapakesan, whose single-minded dedication has enabled him to carry on the legacy of his father, who was a crusader in the cause of women's education and empowerment. I place on record the valuable support and intellectual guidance of our respected Directors, Shri. Ramani Panchapakesan and Dr. Kannan Panchapakesan. Madam Smt. Madhavi Kannan, who stands as a strong pillar of support in all our activities. With the support from the management along with the hard work of the dedicated and devoted members of the faculty, the college is marching towards, academic excellence. Cordial and amicable relationship is ensured among the faculty, students, the management and the stake holders.

She has guided 9 Ph.D. Scholars and more than 100 MS, M.E. and M.Tech. Theses. Dr. Aghila has a been granted a patent and has successfully completed five major sponsored and consultancy projects worth over 2.09 crores.

Dr. Aghila has been instrumental in bringing about a change for the better at NIT, Trichy, by initiating the construction of 6 annexe building for various Engineering departments and successfully completed the Faculty Recruitment Drive in September 2022, recruiting 42 new Faculty members. Her achievements are endless and I feel honoured and delighted to have such an eminent academician amidst us today. My hearty welcome to you ma'am.

In Conclusion

Let me now take time to profusely thank each and every one who contributed in making this year a memorable one. Let me at the outset thank the members of the teaching fraternity, who stood by me in all my endeavours. My thanks are due to them for the support and cooperation they rendered throughout the year. My greatest thanks are to the NAAC Coordinators, who ensure academic excellence and academic sustenance on the campus. My sincere thanks to all the Heads and Faculty members, Staff Secretaries, Union Vice Presidents, Coordinators of all Part V activities and the Placement officers. I sincerely thank the members of the departments of Nutrition and Dietetics and Home Science for the support they rendered throughout the year. I am singularly fortunate to have a band of sincere non-teaching staff, who help me in bridging the odds and gaps. My sincere thanks are due to them.

My greatest thanks are due to our revered Secretary, the Directors and the Members of the Management for ensuring a peaceful academic ambience to all of us.

I am overwhelmed with the support and good wishes poured in by our stakeholders – the parents and the students. They help us in spreading the glory of SRC far and wide. The alumnae, who are serving in various capacities speak volumes about the SRC Culture. At this juncture, I assure that we would not rest on past glory and would work hard to keep the flag of SRC flying high. Long live the glory of SRC. May Goddess Akilandeshwari be with us in all our ventures.

Thank you
