This year has been a very fruitful year with loads of activities and it has come to a pleasant and happy ending. I invoke the blessings of God Almighty, who has showered his blessings abundantly on this educational complex. I remember, on this day, the man behind all the glory, *Padmabhushan* Shri. N. Ramaswami Ayyar, the Founder of the Educational Complex, without whom women's empowerment and education would have been a dream for many. Way back in 1951, when women's education was still a dream, our Founder, established a higher educational institution, enabling women folk in getting quality education in the background of Indian culture and tradition. Today, this temple of learning offers exemplary service to the community and aims at perfection and quality in all its activities. I strongly feel that the visionary zeal and benevolence of our

revered Founder will be a great inspiration to all who are associated with this educational complex. On this auspicious day, I fondly remember our Madam Co-ordinator, Smt. Vasantha Panchapakesan, who had always been a great pillar of support in all our endeavours. I believe that Madam's abundant blessings are always with us from her heavenly abode. Let me seek the blessings of the presiding deity of our complex, Goddess Akilandeswari, our revered Founder and our beloved Madam Co-ordinator, on this 73<sup>rd</sup> college day.

I deem it a great honour to acknowledge the support rendered by the management, which help us march ahead in all our endeavours. Our proactive management, under the able leadership and guidance of our revered Managing Trustee and Secretary, Shri. R. Panchapakesan, whose single-minded dedication has enabled him to carry on the legacy of his father and is also a crusader in the cause of women's education and empowerment. I place on record the valuable support and intellectual guidance rendered by our respected Director- Academics, Dr. Kannan Panchapakesan & Madam Smt. Madhavi Kannan, who stand as strong pillars of support in all our activities. With the support from the management along with the hard work of the dedicated and devoted members of the faculty, the college is marching towards, academic excellence. Cordial and amicable relationship is ensured among the management, faculty, staff and students.

The college offers 24 programmes at the UG level, 10 programmes at the PG level and 8 Ph.D. programmes.
