This academic year has been incredibly productive, filled with numerous activities, and has concluded on a joyful and positive note. I invoke the blessings of God Almighty, who has showered blessings abundantly on this educational complex. I remember, on this day, the noble soul behind all the glory, *Padmabhushan* Sri. N. Ramaswami Ayyar, the Founder of the Educational Complex, without whom, empowerment and education would have remained merely a dream for women. In the year 1951, our Founder established our institution with the motto empowering women through quality education in the background of Indian culture and tradition. Today, this temple of learning offers exemplary service to the women community and aims at perfection and quality in all its activities. I strongly feel that the visionary zeal and benevolence of our revered Founder will be a great inspiration to all who are associated with this educational complex. On this auspicious day, I remember our Madam Co-ordinator, Smt. Vasantha Panchapakesan, who had always been a great pillar of support in all our endeavours. I believe that Madam's abundant blessings are always with us from her heavenly abode. Let me seek the blessings of the presiding deity of our complex, Goddess Akilandeswari, our revered Founder and our beloved Madam Co-ordinator, on this 74th college day.

I deem it a great honour to acknowledge the support rendered by the management, which helps us march ahead in all our endeavours. Our proactive management, under the able leadership and guidance of our revered Managing Trustee Sri. R. Panchapakesan, whose single-minded dedication has enabled him to carry on the legacy of his father, and is also a crusader in the cause of women's education and empowerment. I place on record the valuable support and intellectual guidance rendered by our respected Director Academics, Dr. Kannan Panchapakesan and by Madam Smt. Madhavi Kannan. With the support from the management along with the hard work of the dedicated and devoted members of the faculty, the college is marching towards academic excellence.

The college offers 24 programmes at the UG level, 10 programmes at the PG level and 8 Ph.D. Programmes. The college makes best use of autonomy in designing the curriculum, which best suits the students.
