## ABOUT THE INSTITUTION

Seethalakshmi Ramaswami College, an autonomous institution, affiliated to Bharathidasan University, Tiruchirappalli, accredited by NAAC with A+ grade (4th cycle) is a renowned women's institution in Tamil Nadu. The institution was established in 1951 and became autonomous from 1987. The College has many renowned alumnae. The College offers 24 UG, 17 PG, 7 M.Phil, and 8 Research Programmes. The college has been awarded research funds from DBT under Star College Scheme to strengthen the Undergraduate Life Science Programmes (Botany and Zoology) and DST-FIST College level category-I and department-level. Departments organize various National and International seminars/workshops and conferences regularly. Faculty members have attended and presented papers in international academic forums and they have published research articles in peer reviewed Journals. Besides, patents galore of SRC - granted - 3, published - 6, and filed - 1. Faculty have received many meritorious awards like Lifetime Achiever, Acharya, Iyatramizh Chemmani, Best Paper, and Young Scientist. A well established general library provides facility to update knowledge for students & faculty. The college is aspiring to scale greater heights as an institution for higher education, serving with the motto "Nothing Equals Wisdom".

## CENTRE FOR ETHICS & HUMAN VALUES

The true purpose of education is to build a refined society. This purpose can be achieved effectively by imparting ethics, values and morals to students. Having realized the need to impart values and to fulfill the social commitment as a reputed educational institution, the Centre for Ethics and Human Values was established in Seethalakshmi Ramaswami College on 08.02.2006. Several activities like series lectures on important topics, special lectures, workshops on ethics, values and morals are organised for the benefit of students. Programmes are also organised for the benefit of the faculty members and staff. Outreach programmes are also planned to be organised from this year.

## ABOUT THE DEPARTMENT OF SANSKRIT

Sanskrit, the compendium of Bharatiya culture, knowledge traditions and values is supported and promoted right from the establishment of the institution till date. Apart from part-I Sanskrit.

## ABOUT THE DEPARTMENT OF HINDI

India is a banquet of different languages and dialects. Language has a big impact on the daily lives of members of any race, creed and region of the world. Language helps us to express our feelings, desire and queries to the world around us. Hindi has a direct line of evolution to Sanskrit. It is the fourth most spoken language in the world. Hindi written in the Devanagari Script is one of the official languages of the Union Government of India and has been playing a great role as a link language of our linguistically diverse country. PART I Hindi is offered at the UG level. The students are encouraged to learn the language. The syllabus focuses on the development of language skill, literary appreciation and communication aspects of language. Various books and journals received every year from the Ministry of Human Resource Development, New Delhi, enrich the knowledge of students.

## ABOUT THE DEPARTMENT OF ZOOLOGY

The department of Zoology was established in the year 1960 at the undergraduate level and was elevated to research level in 2013. The department is reputed for academic excellence and innovations. with well created facilities such as a museum, sericulture unit mulberry garden, and integrated solid waste management unit for an effective teaching-learning process. Curriculum is revised regularly to suit the requirements of higher studies, skill enhancement, and employability. The UGC has sanctioned grants under major and minor projects to the faculty for research. The Department of Biotechnology (DBT) has sanctioned Star College Scheme for strengthening Life Sciences at the Undergraduate level. Alumnae of our department have made their mark in various fields around the globe. National and International seminars, conferences, and Science Academies' lecture workshops and hands-on training in various fields of Biological Sciences have been successfully organized with the financial support. Besides, the department is actively engaged in organizing collaborative activities under the signed MoU with reputed organizations. The Department has been granted to offer Community College in the trade - Sericulture by the UGC during the period 2015 to 2021.
