ABOUT THE INSTITUTION

Seethalakshmi Ramaswami College, an autonomous institution, affiliated to Bharathidasan University, Tiruchirappalli, accredited by NAAC with A+ grade (4th cycle) is a renowned women's institution in Tamil Nadu. The institution was established in 1951 and became autonomous from 1987. The College has many renowned alumnae. The College offers 24 UG, 17 PG, 7 M.Phil, and 8 Research Programmes. The college has been awarded research funds from DBT under Star College Scheme to strengthen the Undergraduate Life Science Programmes (Botany and Zoology) and DST-FIST College level category-I and department-level. Departments organize various National and International seminars/workshops and conferences regularly. Faculty members have attended and presented papers in international academic forums and they have published research articles in peer-reviewed Journals. Besides, patents galore of SRC - granted - 3, published - 6, and filed - 1. Faculty have received many meritorious awards like Lifetime Achiever, Acharya, Iyatramizh Chemmani, Best Paper, and Young Scientist. A well-established general library provides a facility to update knowledge for students and faculty. The college is aspiring to scale greater heights as an institution for higher education, serving with the motto "Nothing Equals Wisdom".

ABOUT THE DEPARTMENT OF ZOOLOGY

The Department of Zoology was established in the year 1960 at the undergraduate level and was elevated to the research level in 2013. The department is reputed for academic excellence and innovations. with well-created facilities such as a museum, sericulture unit mulberry garden, and integrated solid waste management unit for an effective teaching-learning process. The curriculum is revised regularly to suit the requirements of higher studies, skill enhancement, and employability. The UGC has sanctioned grants under major and minor projects to the faculty for research. The Department of Biotechnology (DBT) has sanctioned Star College Scheme for strengthening Life Sciences at the Undergraduate level. Alumnae of our department have made their mark in various fields around the globe. National and International seminars, conferences, and Science Academies' lecture workshops and hands-on training in various fields of Biological Sciences have been successfully organized with financial support. Besides, the department is actively engaged in organizing collaborative activities under the signed MoU with reputed organizations. The Department has been granted to offer Community College in the trade - Sericulture by the UGC during the period 2015 to 2021.

ABOUT WILDLIFE WEEK

Wildlife Week is celebrated every year in India during the first week of October. The theme of the campaign is to promote the conservation of fauna. Wildlife Week was conceptualized in 1952 with the great vision of raising awareness to serve the long-term goal of safeguarding the lives of the wild through critical action and measures.
