About the College

Seethalakshmi Ramaswami College (SRC), a unit of *Padmabhushan Sri. N. Ramaswami Ayyar* Educational Complex is an imposing higher education facility in the heart of Tiruchirappalli. *Padmabhushan Sri. N. Ramaswami Ayyar*, a lawyer turned educationist and a crusader of women's education in this part of the country, founded the institution with the singular objective of empowering women through education in 1951 when women were deprived of the privilege of education. The institution, which was started with a handful of female students, has grown into a temple of learning for higher education, offering 24 UG, 15 PG, 7 M.Phil. and 8 Ph.D. programmes. Sri R. Panchapakesan, the illustrious son of our revered founder, now runs the institution under his able leadership. It is one of the premier institutions inculcating in young women the values of Indian culture and tradition apart from imparting knowledge, discipline and life skills to brace them to face the brave new world and excel as *Nothing Equals Wisdom*.

About the Department

The PG and Research Department of English is one of the well established departments of the college. B.A. English was introduced in 1967, and M.A. English was introduced in 1970. The department was elevated to a full-fledged research department in 1993. It has periodically revised and updated the B.A., M.A. and M.Phil. syllabi, incorporating socially relevant and job-oriented papers. Task-based English Language Teaching was introduced in 1998 for Part II General English, and since then, the department is actively engaged in Text Book and Supplementary Materials writing. A review seminar on *Task-based English Teaching* was held in February 2017 to mark the 25th anniversary of materials production. A seminar titled *Interrogating the Self: the Postcolonial Prerogative* was also organized to mark the golden jubilee year of the department.

About the Workshop

The workshop is a focused training session for paper 1 and paper 2 (English) aimed at empowering aspiring academics to successfully clear the National Eligibility Test (NET) and State Eligibility Test (SET) examinations. This intensive workshop provides a comprehensive overview of the exam structure, question patterns, and assessment criteria, along with expert guidance on effective study strategies, time management, and stress management techniques. Through interactive sessions, group discussions, and hands-on exercises, participants gain a deeper understanding of the subject matter and develop the skills and confidence needed to tackle the exams with ease. The workshop also offers valuable insights into the latest trends and updates in the field, enabling participants to stay ahead of the curve and achieve their academic goals. By attending the Workshop, aspiring lecturers and researchers can gain a competitive edge and move closer to achieving their dream of becoming qualified academics.
