ABOUT THE INSTITUTION

About the College Seethalakshmi Ramaswami College (SRC) is an arts and science college for women situated in Tiruchirappalli, Tamil Nadu. It was established in the year 1951 by Padmabhushan Sri N. Ramaswami Ayyar. It is an autonomous college affiliated to Bharathidasan University, Tiruchirappalli. It has been awarded A+ grade in its 4th cycle of accreditation by NAAC. SRC was the first women's college in Tamil Nadu to offer M.Sc. in Chemistry and Physics. It was among the 10 colleges in India selected for Pathway to Higher education sponsored by the prestigious Ford foundation, USA. The College offers 24 undergraduate, 17 postgraduate and 8 research programmes. It continuously strives to improve its teaching standards by incorporating latest technology and strategies to provide the best possible learning environment for students. Skilling programmes such as Community College and B.Voc. under the auspices of NSQF have empowered the lives of countless students through employment and entrepreneurship. The College has built up a decades-strong research base facilitated by grants from leading funding agencies such as UGC, DST, DBT, ICSSR, TAFCON and TNSCST. The faculty regularly organize/participate and publish in various national and international conferences, seminars, and peer-reviewed journals and hold several patents. SRC-Quest, a unique peer-reviewed journal published annually by the College, has helped push the standard of research higher. Over the years, the College has earned innumerable awards and accolades and held in high esteem by its peers and the society. SRC aims to create passionate and responsible citizens, as exemplified by Ms. Nirmla Sitharaman, Hon. Finance Minister and Economics alumna, that contribute to society and in the process help India become a happy and prosperous country.

ABOUT THE DEPARTMENT

The department of Zoology was established in the year 1960 at the undergraduate level and was elevated to research level in 2013. The department is reputed for academic excellence and innovations. The Research Department is equipped with well-created facilities such as a museum, a silkworm rearing unit, a mulberry garden, an integrated solid waste management unit and the paper recycling unit for an effective teaching-learning process. Curriculum is revised regularly to suit the requirements of higher studies, skill enhancement, and employability. The UGC has sanctioned grants under major and minor projects to the faculty for research. The Department of Biotechnology (DBT) has sanctioned Star College Scheme for strengthening Life Sciences at the Undergraduate level. Alumnae of our department have made their mark in various fields around the globe.

ABOUT THE NATIONAL SCIENCE DAY

National Science Day is celebrated to honour the contributions of Sir C.V. Raman, whose groundbreaking discovery of the Raman Effect revolutionized the understanding of light scattering. The Government of India declared February 28th as National Science Day in 1986, aiming to promote scientific awareness, encourage innovation, and highlight the importance of research and technology. Each year, National Science Day brings together scientists, students, educators, and policymakers to discuss advancements in science and their role in shaping a better future.

GUIDELINES

Poster Making Competition

Theme: Innovate for India: Youth Leading the World in Science & Tech!

- The poster must be original and creatively represent the theme.
- It can be handmade (on A4 size paper) or digitally designed (A3 size, 300 DPI, PDF/jpeg format).
- Use of slogans, quotes, or short messages relevant to the theme is encouraged.
- Any medium (pencil, watercolor, crayons, acrylic, digital tools, etc.) can be used.

Slogan Writing Competition

Theme: Igniting Young Minds: Scripting India's Scientific Future!

- The slogan must be original
- It should be simple and easy to understand
- The slogan should be in the form of short sentences
- Participants may express themselves in English
- The slogan must clearly reflect the theme.
- Sentences must be grammatically correct.

GENERAL GUIDLINES

- Each participant may submit only one poster and slogan
- Each submission must include the participant's name, institution, and contact details.
- All participants will receive a certificate of participation
- The decision of the judges will be final
- In case of a tie, the judges will make the final decision
- Participants must join the WhatsApp group at the time of registration to receive updates
- **Send the poster and slogan in a PDF/jpeg file format along with your name and institution address to onlinecompetition2023@gmail.com on or before 28.02.2025**

ELIGIBILITY

- The competition is open to all college students (UG, PG & Research Scholars) from any recognized institutions across India.

REGISTRATION DETAILS

- Interested participants can register through the link given in this post.
- Entry Limit: Each participant is allowed only one entry.
